### 2.0 Purpose, Scope and Principles

Our child protection policy supports our staff to respond appropriately to potential child protection concerns, including suspected abuse or neglect. It is our organisation's commitment to protect children from abuse and to recognise the important roles all our staff have in protecting children.

- 2.1 This policy provides a framework and expectations to protect children, including (but not limited to) staff behaviours in response to actual or suspected child abuse and neglect. It applies to all the Manawatu Rugby Union, staff, including volunteers and part-time or temporary roles and contractors.
- 2.2 In addition to guiding staff to make referrals of suspected child abuse and neglect to the statutory agencies - i.e., Ministry of Vulnerable Children

(Oranga Tamariki) and the Police - this policy will also help our staff identify and respond to the needs of the many vulnerable children whose wellbeing is of concern.

- 2.4 We also commit to exploring opportunities to work with other providers, including from other sectors, to develop a network of child protection practice in our community.

### 5.0 Child Protection Procedures

- 5.1 All concerns of potential, suspected or alleged abuse must be brought to the attention of the PU Child Protection Advisor.
- 5.2 If a child/young person makes a verbal disclosure to a member of staff it is important that staff take what the member says seriously.

- 5.3 Staff are to listen carefully to what the member is saying and are not to interview them or ask too many questions, ask the very basics i.e. Who/when?
  - 5.4 Once the basics have been ascertained, no further questions are to be asked. What the member has said is to be documented, this should include time, date and who was present. This information will be passed onto authorities as soon as possible.
  - 5.5 Advise Ministry of Vulnerable Children (Oranga Tamariki) or Police promptly when a disclosure is made.
  - 5.6 Deciding when and who will inform the parent(s) and/or caregiver will be determined by Ministry of Vulnerable Children (Oranga Tamariki) and Police in consultation with the PU Child Protection Advisor.
- 

## 6.0 Training

- 6.1 All staff will receive child protection training at the appropriate level for their role.
- 

## 7.0 Confidentiality and Information Sharing

- 7.1 We will seek advice from Ministry of Vulnerable Children (Oranga Tamariki) and/or the Police before identifying information about an allegation is shared with anyone, other than the service manager or designated person. Staff should be aware that:
  - 7.2 Under sections 15 and 16 of the Children, Young Persons, and Their Families Act 1989 any person who believes that a child has been or is likely to be, harmed physically, emotionally or sexually or ill-treated, abused, neglected or deprived may report the matter to Ministry of Vulnerable Children (Oranga Tamariki) or the Police and provided the report is made in good faith, no civil, criminal or disciplinary proceedings may be brought against them.
  - 7.3 When collecting personal information about individuals, it is important to be aware of the requirements of the privacy principles - i.e., the need to collect the information directly from the individual concerned and when doing so to be transparent about: the purposes for collecting the information and how it will be used; who can see the information; where it is held; what is compulsory/voluntary information; and that people have a right to request access to and correction of their information.
  - 7.4 Staff may, however, disclose information under the Privacy Act/Health Information Privacy Code where there is good reason to do so - such as where there is a serious risk to individual health and safety (see privacy principle 11/Code rule 11). Disclosure about ill-treatment or neglect of a child/young person may also be made to the Police or Ministry of Vulnerable Children (Oranga Tamariki) under sections 15 and 16 of the Children, Young Persons, and Their Families Act 1989.
- 

## 8.0 Child Safe Practice Guidelines

- 8.1 If any form of physical contact is required ask the person's permission, explain what you are doing and why to both the child and their parents/caregivers.

- 8.2 Where possible ask parents/caregivers to be responsible for children or young people in changing rooms. Always ensure that whoever supervises does so in pairs.
- 8.3 Where there are mixed teams away overnight, teams should always be accompanied by an adult male and female coach or helper.
- 8.4 If it's necessary to do things of a personal nature for a child, make sure you have another adult accompanying you. Get the consent of the parent/caregiver and if possible the child. Let them know what you are doing and why.
- 8.5 Avoid situations where you are alone with a child. While acknowledging that occasionally there may be no alternative, for example, where a child falls ill and has to be taken home. However, one-to-one contact must never be allowed to occur on a regular basis.
- 8.6 Don't allow physically rough or sexually provocative games, or inappropriate talking or touching.
- 8.7 Ensure that any claims of abuse by a child are taken seriously and that the guide to report suspected or actual abuse included in this policy as an appendix is followed.
- 8.8 Ensure that the nature and intensity of training and competition does not exceed the capacity of a child's immature growing body and ability.
- 8.9 Ensure that use of photographic images and video are aligned to relevant privacy policies.
- 8.10 That the all people responsible for children and young people at any given time should always remain in an alcohol-free state that they can react appropriately to any situation that might arise.

## 9.0 Allegations made against members of Staff

- 9.1 Allegations, suspicions or complaints of abuse against staff, volunteers or representatives of other agencies must be taken seriously and reported to the PU Child Protection Advisor who will deal with them immediately, sensitively and expediently within the procedures outlined in this Section.
- 9.2 It is not the responsibility of the staff to investigate allegations of child abuse.
- 9.3 If the Police decide to undertake a criminal investigation then the member of staff may be suspended, without prejudice, as a precautionary measure. It is important that no internal investigation is undertaken and no evidence gathered that might prejudice the criminal investigation.
