

JUNIOR RUGBY PLAYER DISPENSATION FORM - 2021 SEASON

Junior Rugby Players play in the grade that corresponds to their age on the 1st January 2020. Where there is a bona fide reason why a player should play in the grade above or below their age, this application form should be submitted. A player cannot take the field in a grade above or below their age unless dispensation has been approved by the Manawatu Rugby Union.

Process:

- This form must be submitted to the MRU by a Junior Club Convenor prior to 4.00pm Tuesday, 27th April 2021.
- It must be signed by the player's parent or legal guardian.
- Wherever possible, the MRU will approve/deny the dispensation based on the application.
- In some cases, the Manawatu Junior Rugby Board will need to view the player. In this case, the Club Convenor will be informed, and a pending dispensation granted until viewing has taken place. The MJRB also reserves the right to move dispensated players up or down at any time should the MJRB believe it is in the best interest of the player and/or the grade.

Guidelines:

- A player may only be approved to play 'up' two grades or 'down' one grade.
- A player will be considered for dispensation due to either: medical or ability reasons provided they meet the required upper weight limit.
